Property Description

LEASEHOLD BUSINESS. We are pleased to offer a very busy restaurant / Cafe bar in a great location with lots of passing trade. The business has a great record for 9 years and built up a large and loyal clientele. At the moment the business serves a wide range of traditional English meals, sandwiches and snacks. The business offers full breakfasts, lunches and an extensive evening menu. There is a licence to sell wines, spirits and beers. A great opportunity not to be missed.
