Property Description

Fabulous spacious detached house in the area of San Jerónimo, municipality of Tacoronte. The property is distributed on one main floor, and consists of living room, kitchen/dining room, laundry room, 4 bedrooms, the master bedroom with bathroom en suite and 2 other bathrooms. The ground floor consists of a large garage for 5-6 cars, storage room, wine cellar and a large meeting room simulating a cave with kitchen and barbecue, an extra room and a complete bathroom. The house is surrounded by gardens, as well as a large terrace from which you can see the sea and the Teide. As an added value, this wonderful house has a heated swimming pool and at the back a rustic plot of land of about 850m² full of fruit trees, vegetable garden areas, storage room, an old stable and chicken coops. Undoubtedly a great house for the enjoyment of the whole family, in a very quiet area with good climate, where you can take advantage of all the outdoor spaces almost all year round. Very close to the centre of Tacoronte and with good connections to the north motorway, for those who need to be well communicated. Would you like to see it?[IW]
