Property Description

Fantastic rural villa, which is unique in design and build. The property is situated on 40,000m² of usable terraced land. There are various mature fruit trees and a large vegetable patch. The property boasts a large heated pool with retractable cover so that in winter it is an indoor pool. The property comprises of a courtyard entrance, which leads from a sweeping drive, which has electric gates. The property has a large kitchen, which leads to a lovely lounge area; there is an office, which is separate. There is a walk in bodega from the kitchen, which then leads to a large formal dining area. The 3 bedrooms are en-suite and there is a WC. The garage can house 4 cars and the laundry room could be a further studio. The views from the whole house are spectacular and the property is extremely private. The features of the property include under floor heating, solar heating, water purification and many more listed below. Viewing essential
