Property Description

Living in one of the best areas of Tenerife in terms of connections, climate and views, can only be improved if you decide to live in this newly built villa in Radazul Bajo. With an elegant and modern design, totally adaptable to your needs, since it is currently in project and it admits all type of modifications, you will be able to enjoy the exterior space with panoramic views towards the sea and the South coast of Tenerife. The finishes can also be modified to suit your style and way of life. A spacious and comfortable house, which will provide you with great moments at any time of the day, especially the infinity pool strategically located in front of the living room, dining room and kitchen, to create an open and diaphanous space. On the ground floor, apart from the large garage, there is a large 52m2 multipurpose room. If you also believe that this is the house of your dreams, let us make it come true.[IW]
