Property Description

Don't miss this fantastic investment and housing opportunity in Fuerteventura. This beautiful Cortijo is sold as a whole and consists of 7 houses and 2 independent flats. It also has tennis courts, private swimming pool, ponds, ponds, water wells, water treatment plant, gullies, ravines, gardens and much more. Just a few steps from Betancuria we can access this beautiful place located in the middle of the wild nature of the island. The access road is completely asphalted so it is very easy to reach the place. It is a unique opportunity for those who are looking to develop different types of activities such as cultural recreational use or sports, residential use, scientific use, cultural didactic use, rural hotel or tourist accommodation and many more. Or a fantastic opportunity for those large families looking to escape from the big cities and looking for a place to live in the middle of nature. Located in Betancuria, a unique place on the island and totally privileged. Betancuria is the first town founded in the Canary Islands, located in the centre west of the island, where you can visit places such as the Archaeological and Ethnographic Museum of Betancuria and the Hermitage of Nuestra Señora de La Peña.[IW]
