The main one below, with 2 bedrooms, 1 bathroom, very spacious living room. There is also a large covered and glazed terrace. In the upper part we have 2 houses. 1 studio, totally new and equipped with everything and a small terrace. And 1 apartment with 2 bathrooms, with 2 very spacious rooms, one of them type suite with its own bathroom. The ceilings are very high and made of wood, which makes them very cosy. The kitchen open to the living room, very spacious, with access to a small terrace. All this was reformed 2 years ago. The sea views from all rooms are spectacular! The garden is full of fruit trees. In it you can easily make a pool, even more apartments. It is very close to the town, it is a very quiet and pleasant place, due to its surroundings and the extraordinary views it has, and the sunsets, are impressive. Without a doubt, it is a dream place. Currently renting very well. Excellent investment, to live and rent. Do not think about it and visit it!![IW]
