Property Description

Turistic Plot of 3,527 m², for hotel use, for sale in the municipality of Pájara, Las Palmas. The land is located in La Pared, near Jandía, its main communication route being the FV-2 highway. A few meters from the beach. It is an urban plot of 3,527 m² that admits a buildable area of approximately 5,544 m². Its main use is the hotel. It has all the necessary basic infrastructures (lighting, water supply, electricity supply, roads, sidewalks, etc.). It is, therefore, an interesting option to invest given the possibilities it offers. La Pared, located on the west coast of Fuerteventura, next to the Jandía peninsula, La Pared beach is a beach about 250 meters long made up of rocks that have a wild character. Shaped by the passage of time, the wind and the water, it is a completely virgin beach.[IW]
