Property Description

Attention if you want to live in Las Palmas in a newly built penthouse with sea views!

If you have the dream of living metres away from the sea, in an unbeatable location such as the Triana area, steps away from a quiet walk along the Avenida Marítima, with the vibrant life of Vegueta and with excellent communication both to the north and to the south... this property is for you!

Newly built and with first class materials

Unbeatable location

Sea views from inside the house

No problems of antiquity

With open and private spaces

Outdoor barbecue and chill out area

Storage room included

You have the option of buying a separate 50 square metre garage (only for the penthouse) with direct entrance to the building.

This penthouse has it all.

It is distributed in 2 bedrooms and a studio, 2 bathrooms, kitchen integrated to the living room, balcony and a terrace of 172 square meters!

Completion will be in November this year.

Do not hesitate to call us for more information.
