Property Description

Destiny Home, the leading real estate agency in the Canary Islands, is pleased to offer you this peaceful and cosy flat in the private complex of Las Américas II, in Corralejo. Corralejo is a popular tourist resort in the north of Fuerteventura, an island with over 150 km of white sandy beaches and turquoise waters. It is one of the liveliest towns on Fuerteventura and always offers something new to do, as well as beautiful places to visit. It has some of the best beaches in Fuerteventura, such as Grande Playa and Playa del Medio, perfect for families as the waters are shallow and crystal clear. The locality has several schools, playgrounds, health centres, sports centres and supermarkets. This ground floor flat has been completely renovated. It comprises a dining room with a fully-equipped kitchen. It also has two bedrooms and a large bathroom with a glass shower. The flat also has an inner courtyard with access from the living room, plus a small room for a washing machine and water heater. Are you going to pass up an opportunity like this? Don't let this little gem slip through your hands and call us now! We'll be happy to help you and give you all the information you need.[IW]
