Property Description

In the heart of **Puerto de Santiago**, we have this recently built, top floor apartment for sale in the complex called **Edelmira**. It is built with high quality materials and measures 77 m² inside with a large 22m² sunny terrace, where you have panoramic sea views. The apartment consists of two bedrooms, a good size bathroom, a fully fitted open style kitchen, and a large lounge that has access to the more than average size terrace. Within easy walking distance, there are many shops, bars, restaurants and the "playa Chica" beach. The villages of Los Gigantes and Playa de la Arena area also just a short distance away. The property is sold as see, with minimal furnishing, and there is a garage that can be purchased separately for €17,000
