## Property Description

Discover Chinguaro Urbanization, offering 32 townhouses available for sale, meticulously constructed and ready for immediate key delivery.

Situated in the municipality of GÜIMAR, this development boasts excellent connectivity to the highway.

Immersed in lush green surroundings, featuring a playground and captivating sea views, these townhouses are integral to a residential complex that exudes coziness, modernity, and functionality. Enhanced by expansive double-glazed windows and skylights, the homes are bathed in incredible natural light.

Spanning two floors, the ground level hosts a kitchen, a bathroom with a shower, a living room, and a garden terrace.

On the upper floor, three bedrooms await— a main suite with an attached bathroom, and two additional single bedrooms sharing a common bathroom. Both bathrooms are equipped with bathtubs.
