Property Description

Explore Gazmira, AEDAS Homes' latest development of new apartments in Las Palmas de Gran Canaria, featuring a total of 68 homes with 1, 2, 3, and 4 bedrooms, each accompanied by a terrace, a community pool, and garden areas.

The expansive common spaces in these stylish apartments provide an ideal setting for unwinding from daily responsibilities or allowing children to play freely within the urbanization for hours.

Gazmira's floors offer a range of customization options. The generously sized terraces, usable throughout the year thanks to the islands' excellent climate, provide the perfect space for weekend family gatherings or dinner with friends.

Embark on a new chapter in Las Palmas de Gran Canaria with Gazmira.
