Property Description

Explore Singulare, an exclusive residential development featuring 33 three-bedroom single-family homes, complete with private gardens and swimming pools. This meticulously planned community includes a private urbanization with access control, providing an ideal environment for peaceful and well-being living.

Thanks to the expansive interior spaces, lush gardens, private terraces, and the independence and privacy inherent in single-family homes, Singulare offers a unique living experience. This development ensures tranquility and a sense of well-being for its residents.

Situated in a privileged location adjacent to the Doctor Negrín Hospital, and just 10 minutes from Playa de las Canteras, Singulare is surrounded by essential services such as supermarkets, schools, and shopping centers.

Benefiting from excellent connectivity, Singulare is well-connected through fast road links and multiple bus lines, ensuring convenient access to various destinations.
