AMENITIES AND SPECIAL FEATURES OF THIS APARTMENT

This high quality apartment is located in a beautiful residential complex in Puerto de Santiago, in the southwest of Tenerife. The community not only impresses by its excellent construction quality, but also by its fantastic location, very central and next to the popular Supermarket LIDL. The proximity to the port with its restaurants, bars and designer shops, as well as a little beach, does not overlook any possible desire. The complex has many extras, such as a heated communal pool and several common areas as well as a touristic license which makes this apartment an ideal investment property with 24/7 reception, cleaning and maintenance personnel. The hallmark of these apartments is the high comfort of life. Spacious rooms with a bright living room and with kitchen, one nice bedroom with fitted wardrobe, and one bathroom. The generous terrace, from where you can enjoy the views of the sea, Los Gigantes or the impressive mountains, makes this apartment a dream property.

PUERTO DE SANTIAGO: LOCATION AND SURROUNDINGS OF THIS PROPERTY

This community is located very close to the center of Los Gigantes. Within smooth and easy walking distance, the center offers numerous shops, restaurants and cafés. Popular attractions nearby are the black sand beach of Playa de la Arena and the beach and cliffs of Los Gigantes, which provide fantastic panoramas both from land and from sea. At this location, the cliff giants fall almost 450 meters vertically into the sea. Los Gigantes is also easy to reach via highway from Adeje. In the surroundings many attractive destinations are waiting for nature and sports enthusiasts. The distance to the International Airport of Tenerife South is about 35 minutes by car, to Playa de las Américas and Los Cristianos it is about 20 minutes and to Puerto de la Cruz only 50 minutes. Nearby golf courses are reachable within 20 - 30 minutes. Due to the fact that the west coast of Tenerife offers more than 300 sunny days per year, the demand is steadily increasing from year to year.
