The penthouse is spacious (100m<sup>2</sup>) with a large lounge with dining area and direct access to a private sunny terrace with storage and excellent views to Mount Guaza and the sea. An open plan fully equipped kitchen comes complete with integrated appliances and granite worktops. The principle fully tiled bathroom has been completely refurbished with full suite and the master bedroom features a completely refurbished fully tiled en-suite bathroom with natural light and ventilation. From the master bedroom is access to a further spacious terrace with views over the communal swimming pool. Offered tastefully decorated with the furnishings included in the asking price. The resort features full hotel style facilities including: large communal swimming pool, jacuzzi pool, garden, reception, tennis courts, paddle courts, gymnasium, restaurant and hairdressing salon etc.

Situated approx. 3 kilometres inland from the resort of Los Cristianos is the 'sought after' location of Chayofa Village. The village is popular for residents being set in a tranquil setting, however, offers easy access being only 5 minutes' drive to the resorts of Playa de Las Americas and Los Cristianos together with the island's main arterial motorway (the TF1). The village is a 'protected area' with an abundance of native palm trees and greenery. Some of the 'best restaurants' can be found in the village. Many of the properties are within 'private estates' and here you will find some of the most prestigious properties in the south of Tenerife.
