Property Description

The land is approx. 921 m2 and is located on the seafront in Playa del Ingles / Maspalomas. It is built with a spacious villa of approx. 350 m2 consisting of 3 large bedrooms with their own bathrooms, guest toilet, a large living room with kitchen, a large separate kitchen, keeping room with Jacuzzi, steam room, solarium, etc.. Towards the promenade is a living society with a massive wooden bar and various corners of seats. Along the walk there is a glass mirror, the ceiling is mobile and there is an exit to the ride. To the left and right of this room is a patio respectively, with angular seats. The heated pool is located in front of the villa and has three entrances, one from the house, another from the maintenance room and the last from the garden. It is completely covered but the roof and sides can be opened in full. Towards the street is a large patio, partially covered, as well as a double garage.
